Introduction/简介

All the labor lawsuits will be accessible to the public in China, including your clients; and the frontline supervisors or managers caused MOST lawsuits. Due to those non-HR staff philosophy and behaviors, the employment cost is increasing high and the practices are against brands and legal requirements

It is widely recognized that comprehensive labor practice regulations training on HR and non-HR staff can help reduce the employment risks and obtain brands trust and partnership.

劳动争议案件将全线公开,公众与你的客户将通过公开案例了解到企业的劳动用工绩效。 而实际上绝大多数的劳动争议是在员工与其主管之间产生的。由于企业往往忽视对一线管理者 的必要的劳动用工法务培训,常常其管理方式方法与法律或客户要求相抵触,造成被动局面。

在当前严峻的经济形势下,越来越多企业的意识到降低人力资源成本,不仅仅是人事部门的责任,而各级一线管理人员学习和掌握必备的劳动用工法务知识、技能才可以有效避免劳动争议,降低用工风险和避免客户流失。
