Introduction/简介

Ten years ago, one dialogue with the top expert in occupational health field changed my career development, and my work has been improving thousands of workers lives away from occupational poisoning. And the top expert is the lead for occupational disease law legislation.

You and your friends are invited to attend the complimentary seminar on Occupational Disease A-Z and have the dialogue with top experts in China.

Under most circumstances in China, the major occupational poisoning risks have been overlooked. I wish the engagement with experts would help your career and the workers as the dialogue did to me one decade ago.

十年前，一个与专家对话的机会改变了我的职业发展，也改变了数千家企业、数万名员工面临的职业病风险。这位专家就是我国职业病防治法主起草人。

目前职业病预防仍然任重道远，重大的风险依旧被忽视。我们邀请你和你的朋友参加一次与国内顶级专家互动的机会，或许这次对话可能会提升你的职业发展，影响更多的人。
